

WILLOW CREEK

COUNTRY CLUB

For Our Prospective Members

Effective February 1, 2018

Upon receipt of your application and deposit, our bylaws require that we post your name on the club's bulletin boards for a minimum of 15 days prior to final approval by the board of directors. The next step is for you and your spouse, if applicable, to meet with the general manager for approximately 45 minutes. You will also be scheduled to meet with our membership committee. The committee generally meets on the fourth Tuesday of each month, starting at 6:00 p.m. You will be scheduled for a 15-20 minute appointment during which the committee members will provide you with additional information about Willow Creek's facilities and policies. This is also an excellent opportunity for you to ask any questions you may have and tell the committee a little bit about yourself and your family. This meeting is an informal affair and recommended dress is "country-club casual." To assist us in providing you with the information necessary to make your membership here at Willow Creek as rewarding as possible, we suggest you make note of any questions you would like to ask the membership committee.

The membership committee has also requested that if you have not already had the opportunity to tour our facilities, that you please contact Kim at 365-0658 to arrange for a tour prior to meeting with the membership committee.

The membership committee will review your application and pass along their recommendation to the board of directors, which generally meets on the fourth Wednesday of the month. The day following the board meeting, you will be notified by telephone of their decision. If your application for membership is approved, the balance of the purchase price of your membership must be delivered to the business office within seven (7) calendar days, following the date of the board's approval of your membership.

Upon payment of the balance of the purchase price, you will receive a new member packet that will include your membership binder (containing the bylaws, and club rules), and your membership identification/charge card(s) imprinted with your membership number.

Congratulations on your decision to become a member of Willow Creek Country Club. You have chosen one of the finest clubs in the state. We are very proud of our facilities and hope that you will find years of enjoyment as a member here.

If you have any additional questions, please feel free to contact Kim at 365-0658 during our business office hours of 9:00 am to 5:00 pm, Monday through Friday, or email to kim@willowcreekcc.com.
